

Dear VCS Transformation Academy & Alliance Member,

My name is Kate Belmonte and I am one of the Directors of Mutual Aid Road Reps CIC also known as MA|RR.

As well as helping to run MA|RR I am also a graphic designer. I've been self employed since 2007, providing vehicle, shop & event signage, and project management, to companies across Medway and London. In 2009 I was shortlisted for the Natwest EveryWoman Business Awards before starting my family in 2011.

I am looking to raise vital funds for MA|RR and as such we've decided to join Medway VCS Transformation Academy & Alliance and offer my designing skills to other VCS organisations at a reduced rate of £30 per hour. I have created a price guide, which you will find on the next page.

It's really important that a branding adviser/designer understands their client's ethos, culture and aims, which is why I am also offering Transformation Academy & Alliance members a free 30 minute face-to-face meeting or zoom call so that I can get to know you and your organisation in more detail.
