

Compaid Payroll offer through the Medway Alliance

Compaid can offer a full-service payroll function to charities in Kent and Medway.

Our charity has more than 20 years' experience in running external payroll, and our service is delivered by our in-house payroll team.

We have capacity to take up to six additional charity payroll clients, depending on size and complexity. We do limit each external client to no more than 50 staff members on the payroll.

Our chargeable fee is £75 each month for up to five staff members on the payroll, with each additional staff member charged £10 per month. This fee includes all related elements, including pension auto enrolment, pension upload and end of year process with HMRC.

For more information, please contact our Office Manager Srikanth Bodduluri by calling 01892 351051 or emailing srikanth@compaid.org.uk.
